The aim of ICMSSM2020 is to provide a platform for researchers, engineers, and academicians, as well as industrial professionals, to present their research results and development activities in Mechanical Structures and Smart Materials Related Issue.

[Publication]
Papers submitted to ICMSSM2020 will be reviewed by technical committees of the conference. All accepted and registered papers will be published in “Materials Science Forum” [ISSN print 0255-5476 ISSN cd 1662-9760 ISSN web 1662-9752, Trans Tech Publications]. And the press will submit all papers to major databases such as EI Compendex, Scopus and Scholar...

You can attend the conference as a listener, presenter (for poster) or author (for full paper).

[Topics (not limited to)]
