

Call for Papers

The 9th International Conference on Mechanical Structures and Smart Materials (ICMSSM2024) is scheduled to be held from June 15th to 16th, 2024, in the vibrant metropolis of Beijing, China.

Proceedings

Papers submitted to ICMSSM2024 will be reviewed by technical committees of the conference. All accepted paper will be published with " IOP Conference Series: Journal of Physics (JPCS) Online ISSN: 1742-6596 Print ISSN: 1742-6588" and submitted for indexing to EI-Compendex, and Scopus.

Submission

All papers should be submitted using the submission system provided by Openconf system or Email.

1. Submit by Openconf system:

Conference Support

Welcome your submission!

Beijing, China | June 15-16, 2024

International Conference on **2024**
Mechanical Structures and Smart Materials

T1: Mechanical Science and Technology Advances

- Instrumentation and Control
- Automation and Mechatronics
- Automotive Engineering

T2: Smart Structures and Systems

- Adaptive Structures
- Smart Structures in Mechatronics
- Origami Structures

T3: Smart Materials and Surfaces

- Smart Material Science and Synthesis
- Manufacturing and Design of Smart Materials
- Functional and Multifunctional Materials

T4: Materials Manufacturing and Processing

- Robotics
- Mechatronics
- Automation Engineering Processes

T5: Methodology of Research and Analysis and Modeling

- Metallographic
- Quantitative Metallographic
- Computational Material Science
