

Call for Papers

May 17-19, 2025 | Bangkok, Thailand

The 10th International Conference on Mechanical Structures and Smart Materials (ICMSSM 2025) is scheduled to be held from May 17th to 19th, 2025, in the vibrant metropolis of Bangkok, Thailand.

Publication

Accepted and presented papers at ICMSSM 2025 will be meticulously curated and featured in ICMSSM 2025 conference proceedings. Furthermore, these contributions will undergo a rigorous evaluation process for inclusion in prominent databases, including but not limited to EI Compendex, Scopus, Google Scholar, etc.

Submission

All papers should be submitted using the submission system provided by Openconf system or Email.

Welcome your submission!

TOPIC OF INTEREST

T1: Mechanical Science and Technology Advances

- Instrumentation and Control
- Automation and Mechatronics
- Automotive Engineering

T2: Smart Structures and Systems

- Adaptive Structures
- Smart Structures in Mechatronics
- Origami Structures

T3: Smart Materials and Surfaces

- Smart Material Science and Synthesis
- Manufacturing and Design of Smart Materials
- Functional and Multifunctional Materials

T4: Materials Manufacturing and Processing

- Robotics
- Mechatronics
- Automation Engineering Processes

T5: Methodology of Research and Analysis and Modeling

- Metallographic
- Quantitative Metallographic
- Computational Material Science
